Bradford & Gordon, LLC

A divorce attorney's primary role is to serve as the client's legal representative. But at Bradford & Gordon, LLC, we understand that divorce is more than just a legal transaction—it can be a financial hardship, an emotional rollercoaster, and a tremendous disruption to the client's day-to-day life. We also know that divorce can lead to new opportunities, new experiences and new hope for our clients.

The attorneys of Bradford & Gordon work closely with each client to understand his or her unique set of circumstances and priorities. We strive to find the most reasonable, practical, and efficient resolutions to help our clients move through what can be a challenging transition into the next chapter of their lives.

At Bradford & Gordon, we have decades of experience representing individuals in complex, contentious disputes that require in-depth understanding of sophisticated financial matters,
